

Restrictive ASO/PPO contracts no longer mean restrictions on dialysis cost savings.

---

## Introducing the Renalogic ASO/PPO Network Advantage.

Still struggling with the high cost of dialysis? Even with your Administrative Services Organization (ASO) or PPO network discounts? Renalogic has a solution: our new ASO/PPO Network Advantage.

A unique and safe methodology that allows you to completely carve out your outpatient dialysis benefits while maintaining other ASO/PPO network discounts.

**Program benefits include:**

- Trusted expertise for proper Administrative Services Agreement (ASA) review
- Mitigation of claims reprocessing issues
- Proactive provider notification
- Predictable flat fees
- Supports Stop Loss language to alleviate conflicts
- Significant dialysis cost savings above and beyond ASO/PPO network rates
- Usable where Reference-Based pricing structure is in place for other benefits
- Separate dialysis benefits booklet to minimize member and provider reimbursement conflicts

---

The industry calls it dialysis carve-outs but you will call it a "count me in".
